

SUN-BROWN

If your skin is quite dark you can lighten it to an irresistible sun-brown with the use of Fan Tan Make-Up Creme in the "Sun Tan" shade. This marvelous shade will give your skin an exquisite golden hue—the fashionable Gypsy Copper tone.

SPANISH

The olive skin of the Spanish beauty is produced by Fan Tan Make-Up Creme in the "Ochre" shade. This is a shade which is flattering to nearly everyone—it has all the lure and charm of the Oriental complexion.

IVORY WHITE

Those who wish a real light, real creamy skin will be delighted with Fan Tan Make-Up Creme in the "Naturelle" shade. This marvelous shade makes your skin gloriously light and lovely in the twinkling of an eye. Now being used by leaders.

Lighten Your Skin to Any Shade You Desire

With Amazing New Kind of Make-Up Creme or No Cost!

In Just Three Seconds You Can Lighten Your Skin 4 or 5 Shades—Making it the Beautiful Sun-Brown Shown Above or the Intriguing Spanish-Olive, or the Lovely Ivory-White. You Just Rub This Amazing New Creme on Your Face, Neck and Hands. Instantly Your Skin is Much Lighter, Much More Attractive and Alluring. And Now You Can Test This New Creme at Our Risk—Unless it Does All That We Claim It Will Not Cost You One Penny!

Stays On 12 Hours—Banishes All Gloss And Shine . . . Conceals All Blemishes

NEVER before have you seen a skin-whitener like this. It is not a bleach, not a liquid powder, but an entirely new and different French type Creme. This wonderful creme gives a marvelous whiteness and brilliancy to dark skins—banishes gloss and shine for 12 hours—makes face powder unnecessary—conceals freckles and skin blemishes—heals and soothes skin irritations. It has the magic power of instantly lightening the skin it touches.

As you will see by the illustrations above, this amazing new creme—Fan Tan Make-Up Creme—comes in three shades, each adapted to a particular complexion. The shade called "Sun Tan" is for very dark complexions and lightens them to a fashionable Sun-Brown. The next shade, called "Ochre," is for medium complexions. It gives them that flattering Spanish tone, so desirable this season. And the lightest shade called, "Naturelle" is for the girl or man who wishes a creamy ivory skin.

Men find Fan Tan wonderful after shaving. They say it removes gloss and shine and gives that refined light tone so valuable in business and social life. Also makes hands surprisingly light and smooth.

Actresses and society women say Fan Tan is truly Marvelous for evening wear—it

lightens face, hands, arms and shoulders, giving them a velvety smoothness.
