Atomic Mixed League: Hitting lanes 9 and 10 at Studio Bowling Academy for 185-202-217, your reporter, Captain of the "Missiles" racked up a hot 601 for high series of the season for the ladies.

The team also had games of 951-955-1004 for a weekly high of 2910. That's wonderful teamwork! Thanks gang.

Cleo Ah Sam had a 181 all Spare game. That should be good for some sort of award. Mens' high game was team 2's Hubert Pickett's 234. He is prepping for the men's State Tournament in Fresno. His team had a game of 1016.

Dot Thomas, 120 average, picked up the 6-7-10 split and Ben "Handy Man" Handy converted the 4-7-9-10 "monstrosity".

Jimmy Clay got lucky and made the 5-10. Next week is the start of remodeling and putting in the AMF Automatics at Studio . . . "Wonderful World"! Sign up now for your choice of leagues for the winter season.

Keplers Pin Classic . . . Top Banana this week is **Jon Carter** with a fine 232-634 series.
