IS TOPS

with us too!

Popular in both the old and new Crestwood communities is 17 year old Vernon Lee Holmes, carrier extraordinary. The son of Mr. and Mrs. Thomas Smith, 505 Southern Branch Road, he is in the 10th grade at Crestwood High School. In addition to capably serving his **GUIDE** route he has gained a reputation as an expert grass cutter and is in constant demand. Moreover, in his few spare hours he works with the Job Corps.

Vernon attends the First Baptist Church, Crestwood. He wants to become a professional baseball player, and is learning the rudiments of the game by playing rightfield with the Crestwood Hornets.

GOOD LIFE!

Many of the nation's celebrated men were **GUIDE** carriers in their communities. A **NATIONALLY FAMOUS BUSINESS EXECUTIVE** once said to a High School assembly: "My son must be a Boy Scout and a Newspaper Carrier if he stays in my house." Today we read about his son's achievements nearly every week.
